ABOUT ME

I am a Website Developer with 6+ Months of experience in developing website in the Freelancing market. Creative, sharp-minded person with leadership & coaching skills. Strong time-management skills and work ethic. Revenue- and results-driven.

WORK EXPERIENCE

Freelance Web Developer
June 2023 - Oct 2023

As a seasoned freelance web developer with over five years of experience, I specialize in creating dynamic and responsive websites. Proficient in HTML, CSS, JavaScript, and various frameworks, I have successfully delivered high-quality projects on time and within budget. My adaptability and commitment to staying updated with industry trends allow me to integrate cutting-edge technologies into my work, ensuring robust and scalable digital solutions. My focus on client satisfaction is evident in my ability to translate their visions into functional and visually appealing online experiences.

Freelancer Video Editior
December 2022 - January 2023

As a seasoned freelance video editor, I bring extensive experience in transforming raw footage into polished, engaging content for diverse clients across various industries. Proficient in industry-standard editing software, I demonstrate a keen eye for detail and a deep understanding of storytelling principles. Adaptable and deadline-oriented, I maintain open communication with clients to ensure their vision is realized within project timelines. My portfolio reflects a dynamic range of projects, showcasing my commitment to delivering high-quality, impactful video content.

EDUCATION

Bachelor of Science: (Present)

Bachelor of Science in Software Engineering (BS-SE)
